

Photoshop for Beginners

To register: 305-919-5900

Course

This course is designed for those who are new and/or would like to review the basics of Photoshop. Participants will be required to purchase access to Adobe Photoshop (and have it installed prior to the course) in addition to the course fee. Fundamental tasks to be covered include:

- Navigating / understanding the workspace.
- Basic photo editing and corrections.
- Adjusting, replacing colors and repairing areas.
- Understanding and organizing Layers.

Details

Instructor

Erika Obando holds a BS in Interior Design from the Art Institute of Fort Lauderdale. She is an Associate Producer and Community Outreach Coordinator for BrandStar, which is a full-service TV Production Studio and Media, Marketing and Entertainment Agency in Deerfield Beach. An International and TEDx Speaker, soon-to-be published author, she advocates empowering others to follow their purpose and pursue their passions, Ms. Obando will help you unleash your creativity and develop your Photoshop skills in this beginner's course.
